Centre (7K)	GL7KBEDZNRD	190 x 469 x 24

Please Note: Door and glass colours shown should be used for guidance only as the limitations in photographic and printing processes may mean that colours of products vary from those illustrated. Slight bubbles, lines and surface imperfections, known as comet marks or seed tracks are all characteristics of glass and are not considered to be defects. The centre decorative pane may be made of textured glass of various thicknesses allowing some movement within the cames. This movement does not affect the aesthetics or performance of the glass.
